

FISCAL NOTE

SB 2257 - HB 2284

February 10, 1998

SUMMARY OF BILL: Requires the Commissioner of Environment and Conservation to develop a written report on streambank erosion in Tennessee to be delivered to each member of the general assembly by January 15, 2000. The report shall contain the following: (1) An examination of the causes of streambank erosion; (2) The effectiveness of existing and new methods of bank protection; (3) An assessment of streambank erosion in Tennessee; and (4) Any other matter the commissioner deems relevant to streambank erosion which may be of concern to the general assembly.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not significant

Cost estimates assume existing staff and resources within the Department of Environment and Conservation will be used to prepare this report.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
